

# Energy Storage Spectrum

Dr. Rashi Gupta

**Vision Mechatronics Private Limited**

# Who we Are?

- **Vision Mechatronics Private Limited** started off with Niche Robotics and Industrial Automation Business in 2009. We have been catering to the prestigious institutes like BARC, N.P.C.I.L. amongst a few. We offer Niche precision customized solutions to our Industrial Customers.
- In the year 2016, the company also diversified into the solar rooftop segment and is an MNRE Channel Partner. Looking at the energy problems in the country, Under the "**Make in India**" flagship, we have an indigenized solution of German technology for Lithium Batteries, which ranges from 840Wh to 90MWh.
- In this journey we aspire to be a Listed Indian Multi-national by **2020** with our core value of Empowering Lives through Innovation!
- We are currently at: Maharashtra, Delhi, Madhya Pradesh, Tamil Nadu, Odisha and Telangana.

# The *Li-Rack* combo replaces your DG + Stabilizer + UPS Battery

# What makes us unique?

- We are the only company across the globe which provides **preventive monitoring** . We give the power in the hands of the customer. We do this with the help of remote monitoring.
